TRANSPORT

At the NZARRA AGM it was apparent that keeping ticket prices down is important to everyone, therefore we have decided that bus transportation will not be provided due to the extremely high cost. This enables us to reduce ticket prices accordingly. However, we have secured a discount with a car and van rental company (see information on Matthew Rentals below) for those who wish to hire minivans or cars. We apologize for any inconvenience caused by this change in arrangements, but we are endeavoring to keep ticket prices as low as possible.

SUPPER

To further provide for everyone, we will be offering 'Supper' and 'Non-Supper' ticket options. This will keep ticket prices down for those who would rather make their own meal arrangements. There are plenty of food outlets within close proximity to the venue. Our caterers, though, are not to be missed and well known for their spit roasts.

ORDER FORMS

- § T-shirt, ticket and video pass order forms will be posted/emailed out soon.
- § Eftpos will be available at the venue but there will be no cash out or credit card payment facilities.

GENERAL

- § Please note that there are to be No High Heels at the venue.
- § If not already done so, please help us by providing two email contact addresses and where your club has booked its accommodation.
