#### 2007 Senior Nationals

Christchurch Rock'n'Roll Club was a superb host for the 2007 Senior Nationals. The atmosphere in the stadium was awesome, and the crew of "dudes" was always available. It was a great achievement for a hard working committee and club; we trust you are now taking a well-deserved rest!

To all competitors and place getters – congratulations!

The official results are attached to this newsletter.

#### Judges and Scrutineering Sheets

All clubs requiring judges' sheets should have ordered and paid for these at the weekend. However, if sheets are now required, the full set including scrutineering sheets is available at a cost of \$56.25. A set of Scrutineers Sheets only is available for \$22.50. Please forward your order and cheque to **The Secretary, PO Box 5425, Christchurch**

#### Dress Code

There were some instances this weekend of dress code non compliance. All competitors and clubs are reminded that the dress code must be adhered to fully. Please refer to Section 2 of the Rule Book for details. Skirts/dress must be long enough to COVER the crease in the back of the knee, and petticoats should enhance the fullness of the skirt. At future National Competitions, including the upcoming juniors, Rule Book guidelines will be strictly adhered to – no exceptions.

#### Correspondence

Any correspondence regarding the recent National Competition should be forwarded to the Association Secretary, preferably before the next Executive Committee meeting on 17th November.

#### Trainee Judges at Club Competitions

Trainee Judges need to armchair judge a number of competitions before progressing to the next stage of their training. They do this at their own expense and for some, considerable time and travel is involved. All a club has to do is provide judging sheets and ensure the sheets reach the Head Judge for evaluation. If your club is running a competition, please welcome our trainee judges.
