Our Market Place – Sales Tables

As part of the weekend's programme we will be providing a prime space for an indoor market. This space is available to businesses to display and sell clothing and other memorabilia / novelties from the 1950s and 60s as well as items relating to rock 'n' roll revival.

If you know of businesses that might like to be included in this market, please ask them to contact Pauline on Pauline.kislick@clear.net.nz.

Sales tables are available for \$20 for the three days, with optional wireless eftpos at an additional charge.

Registration Form on www.harbourcity.org.nz on Nationals page

The indoor market will also be made **available to rock 'n' roll clubs free of charge** during the dinner break on the Sunday of Labour Weekend. This time slot is for those clubs interested in displaying and selling club clothing, other merchandise, etc. Although this is free, you must register with us, as space is limited.
