

Sept 15th 2019

Wow there are now only 210 Days to go, bring it on....

VENUE & TICKETING

We are releasing today the venue pre purchase ticket order form. See either the NZARRA website or our own Drifters web site for the downloadable form.

Venue planning is well underway, but this is not a huge venue so we are concentrating on providing all prepurchase ticket holders a seat at a table, there will be no "bleachers" and the availability of "day sale" tickets will be governed by the amount of prepurchased tickets, so don't rely on buying a ticket at the venue.

We would recommend clubs limit the number of clothes racks you bring as they will be taking up your valuable space.

Friday night is included with your prepurchased ticket.

We will have eftpos available at the venue.

There is also a water bottle filling station at the venue.

PARKING

There is ample on site parking and a site map can be found on the web site, there will be a parking restriction in front of the main entrance (reserved for officials and vendors)

There is also a oneway traffic flow system in place at the school. The main entrance off Ellicott Rd is an entrance only, the exit from the school grounds is via Nyanza St, onto Waimarie St, then back onto Ellicott Rd.

MOTOR HOMES

For Those wishing to stay in a self contained motor home the charge for the weekend (10th, 11th, 12th) will be \$25. This money will be collected at the registration desk inside the main entrance to the venue.

The motorhome registration form and a site map are on our web site www.drifters.org.nz/jnr-nats

SMOKING & ALCOHOL

If there was ever a good reason to give up smoking then this venue is it.

There is no smoking on the school grounds and the hike (pack a lunch) to the main road is 300m and if you do take the journey please don't just dispose of your butts at the school entrance (not a good look).

Being a school there is also an alcohol ban in place.

FOOD AND COFFEE

This is still in the planning stage but we are hoping to have both a coffee vendor and a food vendor on site, but this aspect is still being finalised, (watch the Drifters web site for more updates).

On Ellicott Rd at the entrance to the school there are two dairies that will be open the whole weekend, they have the usual range of dairy fair.. and are within walking distance of the venue.
