

Senior Nationals 2023 Update for City of Sails -AGM -May 2023

Welcome everyone to our AGM and here is an update from our Senior Nationals Sub-Committee.

We have had a few visits to the venue, Auckland Netball Stadium in St Johns and everything is looking good. The setup will be very similar to 2013 so the size of venue is great. The complete venue including carpark is smoke free. Will be hiring furniture like tables and chairs soon so if you have any good contacts please let us know.

We have Duncan Jury and Nigel Fisher booked as DJ's, Daniel Zainey as MC.

The on-site fully serviced cafeteria has meals, snacks, coffee, drinks etc. Alcohol is prohibited from being brought into the venue however the cafeteria has a license so you can purchase from them during approved hours. You can still bring in your own food, snacks and non-alcoholic drinks.

We have approval for Motorhomes to stay. They must have a current self-containment certificate and a paid registration form completed. These will be available from 16 June when we release the ticket order form. The registration fee will be \$25.00 per vehicle for the 3 nights.

The ticket order form will be distributed to us and other clubs from 16 June. Our pricing is yet to be confirmed but have been budgeting on similar pricing to previous Nationals. We are budgeting on a good profit so this will not be a burden on our finances. I am confident the event will be well supported as I have already had clubs contacting me.

We have a good list of volunteers already to help throughout the weekend. Please contact me should you wish to be added. The theme is Jailhouse Rock so any prison outfits won't look out of place. We are also kicking off Friday night with Che Orton Band and raffles will be running throughout the weekend. We have donated raffle prizes already but always after more. You can bring these to any club night or dance, otherwise contact me and I will arrange collection.

That's all from me and any questions?

Mark Roberts
