

May 18th 2019

There are only 328 days until Drifters Rock 'n' Roll Club will welcome you all to the "TRON" for the NZARRA 2020 Junior Nationals.

We are excited and planning is well underway.

VENUE

The competition will be held at the gymnasium complex at Fraser High School on Ellicot Rd. The venue comprises 3 separate, but interconnected gymnasiums. The largest gym will be used for the dance competition, one of the smaller gyms will be used as a warm up facility and marshalling area and the third gym will be used for sales tables and a "chill out" area. There are adequate toilets and changing facilities within the complex.

There is ample parking adjacent to and around the gym, and our team will direct you each day to the appropriate area. There will be Motorhome parking at the venue. More details will be available at a later date around this. Being a school, the school grounds are smoke free and alcohol free.

ACCOMMODATION

There is a vast range of accommodation available in Hamilton, with the bulk of the motels on Ulster St within a 10 minute drive from the venue. There is a condensed list of motels in the attached flyer and a more comprehensive list on our web site www.drifters.org.nz (on the 2020 tab). If you are having any difficulties with accommodation just drop us a line at 2020info@drifters.org.nz and we will do our best to help out.

FOOD AND DINING

Remember Easter can be difficult for food, with major supermarkets closed on the Friday. You will need to plan in advance to save disappointment. Using the supermarket delivery service to your accommodation - this is a great option. There will be the normal range of fast food outlets open over the weekend. There is a mini map link, showing the fast food outlet locations or just use Uncle Google.

THINGS TO DO

Just in case you have some time to spare, there are a range of activities available in Hamilton - Waterworld Te Rapa, Hamilton Zoo, Hamilton Lake, Hamilton Gardens and the Classic Car Museum (which is just within 5 mins of the venue).

TICKETING

In due course we will release a ticket order form, but if in the interim you have any ticketing queries contact Chris at 2020tickets@drifters.org.nz and she will do her best to help.

GENERAL INQUIRIES

If you need any further information then just drop us a line at 2020info@drifters.org.nz
