

Kia Ora Rock 'n' Rollers

Following the unavailability of clubs to host the 2024 Senior Nationals, the Invercargill Rock n' Roll Club offered to host. We were unable to secure a venue for this and have been lucky enough to have swapped events with the Christchurch Rock n Roll Club and are excited to announce that we are hosting the Junior National competition for 2024. The theme for this will be **'Night at the Movies.'**

We have managed to secure Stadium Southland for this event. They have a team of professional and helpful staff who specialise in the organisation of large scale events. A spacious dance floor, large seating areas surrounding the dance floor (floor and grandstand), access to changing rooms, meeting rooms and a private space for officials are just some of what Stadium Southland boasts for this event.

As it stands right now, we have appointed Shaun Birchall as the DJ, badges are set and Roto Rockers have been booked. We have also started working on what the scene will look like based on our theme for this event. Ticket prices are in the process of being finalised, as soon as these are available to us, we will inform you.

Invercargill has an abundance of experiences and opportunities to keep you entertained throughout your visit. In town, you will find Transport World, Motorcycle Mecca, Dig This, Jump n' Fun & Laser Tag, Solve It and Escape, our very own state of the art city central mall and soon to be an interactive Lolly Shop called Toot Sweets . Outside of Invercargill there are many opportunities for day trips or overnight trips. Stewart Island, the Catlins area, Milford Sound or the adventure capital of New Zealand – Queenstown. Make this a chance to get away and enjoy something a bit different. We look forward to seeing you over Easter weekend, 2024.
