2022 Hosting of Junior Nationals

Congratulations to Drifters Rock n Roll Club who have confirmed they will now be hosting Junior Nationals, 2022.

PO Box

The Executive has decided to discontinue using the PO Box.

Please scan and email the secretary@rocknroll.org.nz your payment invoices/statements and receipts.

Badges

The Association has acquired the 2020 badges that were to have been given out at this year's Junior Nationals in Hamilton. As this event did not happen, we have decided to give a badge to each Junior who was to compete. These ones will be posted to the relevant club secretaries to pass on to their Juniors. We also have a surplus of 60 more badges, to be allocated by ballot which we expect will be over-subscribed.

Please email secretary@rocknroll.org.nz with the number of badges requested and make payment of \$15 per badge (includes postage and packaging) to the Association account 03 1534 0002945 00. Please use your name as reference. This will be due before 28 September, 2020.

After that, badges will be sent to those drawn randomly from the ballot, and payments will be returned to those who were unsuccessful.

AGM Questionnaire

The Executive has recently sent a survey out to be filled in by those who attended this year's AGM. As less than half of the attendees responded and we would like to get a good overview of how attendees felt the meeting went, could we ask that club secretaries please chase up those delegates who attended and have yet to fill in the questionnaire - to do so. If you require a questionnaire, please contact the Treasurer on treasurer@rocknroll.org.nz who will email you the link.
